*Energy Factor and First Hour Rating is based on the latest AHRI directory listings.

**Based on manufacturer's rated recovery efficiency.

Available with top T&P location ONLY

With these pre-NAECA diameter water heaters, you can avoid the time consuming jobs of relocating and repiping the installation. Whether it's a single family home, an apartment complex, or wherever the job requires a water heater that fits into a pre-existing tight space, Bradford White has the residential gas water heater you need to get the job done quickly and easily.
